

TOP 10

REASONS

CO-OPS ARE COOL

10

Co-ops are locally owned and operated, serving local needs.

9

Co-ops strengthen their communities, improving quality of life.

8

Co-ops are not-for-profit businesses, providing services at cost.

7

Co-ops keep jobs and money in their local communities.

6

Co-ops are great places to work.

5

Electric co-ops balance reliability and affordability of services.

4

Electric co-ops serve 75% of the land mass in the U.S.

3

Co-op members equally share the burdens in hard times, and the benefits in good times.

2

Co-ops are democratically controlled: one member, one vote.

1

You are a respected member, not just a customer.
